Add Comment:

6. How likely are you to ask this student to complete another project for you?

☐ Very Likely ☒ Somewhat Likely ☐ Not Sure ☐ Unlikely ☐ Very Unlikely

Add Comment:

"The website exceeded my expectations. The design is simple, interesting, and easy to navigate. The issue with canyon access is nearing a good resolution, but the website would still be useful for keeping up on trail maintenance and other issues. If I had a need, I would definitely have Madi in mind for help with website design, but I am hoping I don't have any more projects in the future."

Comments from All Reviewers

Please provide ratings and comments on the following project criteria (1 = low and 5 = high):

1 2 3 4 5 Overall project quality

Comments:

GARRETT (5): *"It's fantastic in design and creativity."*
